

ROSEBURG VA HEALTH CARE SYSTEM

PGY-1 PHARMACY RESIDENCY

The Roseburg VA Health Care System consists of one VHA facility located in Roseburg, Oregon, and three outpatient clinics located in Eugene, North Bend, and Brookings. The Roseburg VA offers primary care and hospital services in medicine, mental health, transitional care, protective care and residential rehabilitation for 60,000 veterans who reside in Central and Southern Oregon and Northern California. The VA proudly serves Veterans who have bravely fought to protect the freedoms of our great nation. The Roseburg VA campus is in beautiful Roseburg, Oregon, situated along the Umpqua River and is surrounded by biking and hiking trails.

ABOUT OUR PROGRAM

The Roseburg VA Health Care System PGY-1 residency program focuses on professional development throughout the year and prepares residents to hone the skills necessary to become confident and competent practitioners. PGY-1 pharmacy residency programs build on Doctor of Pharmacy (PharmD) education and outcomes to contribute to the development of clinical pharmacists responsible for medication-related care of patients with a wide range of conditions, eligible for board certification, and eligible for postgraduate year two (PGY-2) pharmacy residency training. Our program has an emphasis in ambulatory care, but still includes inpatient settings as well as the ability to customize research and learning experiences to meet residents' needs. Each year, three residents are carefully selected for a one-year, ASHP-accredited program that begins mid-June. Residents will work alongside board certified pharmacists with prescriptive authority and actively participate in patient management in a variety of clinical settings. Mornings consist of core or elective rotations; afternoons are devoted to longitudinal clinics. Opportunities to complete elective rotations at the Eugene VA Health Care Center are available. Application materials must be submitted through PhORCAS. If selected, prospective candidates are required to complete an on-site interview, including a presentation, clinical case scenario, and a tour of the facility (may be changed to virtual interviews/tours).

Core Rotations:

- Adult Primary Care
- Inpatient Medicine
- Transitional Care Unit
- Inpatient Mental Health
- Pharmacy Administration
- Joint Commission Review

Elective Rotations:

- At Eugene VA Health Care Center
 - Adult Primary Care
 - Pharmacy Informatics
 - Outpatient Mental Health
 - Outpatient Primary Care Mental Health Integration
- Outpatient Substance Abuse

Longitudinal Experiences:

- **Pharmacotherapy Clinic:** Twice weekly pharmacy-managed clinic for Veterans diagnosed with hypertension, dyslipidemia, congestive heart failure, asthma/COPD and diabetes. Residents will build rapport and continually manage select Veterans throughout the residency year
- **Anticoagulation Clinic:** Telephone-based monitoring of warfarin, LMWH, and direct oral anticoagulants
- **Drug Regimen Reviews:** Monthly medication reviews for Veterans in transitional care and dementia protected-care units
- **Tobacco Cessation:** Telephone-based smoking cessation appointments to optimize prescriptions for varenicline, bupropion, and nicotine replacement therapy
- **Antimicrobial Stewardship:** Review culture & susceptibility reports and adjust antimicrobial regimens to reduce antimicrobial resistance.

Swimming, fishing, and boating are all enjoyed on the Umpqua River, which flows through Roseburg. Hiking trails, mountain biking, rock climbing, kayaking, surfing, camping, ski resorts, lakes, waterfalls, the scenic Oregon coast, Crater Lake National Park, and the Redwood Forest are all within easy driving distance. Roseburg offers many breweries and local restaurants, and the Umpqua Valley is home to numerous wineries. Roseburg is located about one hour south of Eugene and three hours south of Portland.
